

THE PAPUA NEW GUINEA UNIVERSITY OF TECHNOLOGY

Statement by Sponsoring Organization (PG Application)

In the case of a student proposing to conduct all or part of the research program outside the Papua New Guinea University of Technology (PNGUoT), or a student relying on funding from an outside organization, the following information and undertaking should be completed by a responsible person in the sponsoring organization.

1. I certify that..... (Organization) is willing to sponsor
..... (the student) for Program
in accordance with the regulations of the Postgraduate programs of PNGUoT.
2. For full-time studies, the student will not be working more than 6 hours/week on activities other than his/her research.
3. The organization has appropriate physical facilities required for the proposed study program.
4. The organization has proper supervision capacity to oversee the research activities of the student.
